

ADP for a higher class of payroll administration.

With today's accelerated business pace, you can't allow time-consuming tasks like payroll administration to hinder your progress. ADP, the leading payroll company, moves you forward with a superior class of payroll solutions: Advanced, flexible solutions that are well-suited to your environment and your company size - no matter what stage of development your business is in.

25% discount off payroll/ taxfiling services

Special offer is available to non-ADP clients for the valued members of the Construction Exchange of Buffalo & WNY. Discount will stay for the life of service. (Discount is off 2006 pricing; therefore current ADP clients whom have a grandfathered rate are not eligible for promotion).

Members looking to take advantage of the discount or to get more information must call ...
